Objective

Computer Science graduate and dedicated educator with a strong focus on accessible learning. Drawing on my experience providing customized support for students with disabilities, I specialize in breaking down complex subjects into clear, manageable steps. My goal is to build inclusive, personalized learning experiences that empower students of all abilities to bridge knowledge gaps and achieve their full academic potential.

Education

- **M.A. in Science and Technology Education (2025–Present)** Bar-Ilan University | Thesis Track. Specialization: Well-being Education.
- **BSc in Computer Science (2021-2024)** HIT Holon Institute of Technology | GPA: 86
  - Received Dean's Honor for academic excellence in Year 3 with GPA of 97.
- **BA in Arts and Cinematography (2018-2020)** The Open University (Incomplete). GPA: 93
- **High School Diploma (2012-2014)** Yigal Alon High School, Ramla**.** Major: Software Engineering.

Professional Experience

- **Accessibility Tutor & Mentor | HIT Student Advancement Center & Private Practice (2024–Present)**
  - Provide tailored CS tutoring and mentoring for undergraduate students, including deaf and visually impaired individuals.
  - Specialize in cognitive accessibility, real-time transcription, and adapting complex academic materials into manageable steps to ensure an inclusive learning environment.
- **Remedial Teaching Educator (2025–Present)**
  - Instruct 1st–9th grade students at a dedicated center, developing customized, step-by-step learning strategies to bridge knowledge gaps and build foundational skills.
- **Teaching Assistant for C# .NET OOP Course at Reichman, HIT, MTA (2025)**
  - Evaluate and test complex C# projects across multiple institutions, ensuring functionality and strict adherence to OOP principles.
  - Provide detailed, constructive code reviews and technical guidance to improve students' software architecture and coding practices.
- **Production & Operations Manager | Major TV Productions (2018–2024)**
  Endemol Shine Israel, "The Big Brother", "Gav Hauma", "Rising Star"
  - Directed full-cycle production logistics, managed executive budgets, and coordinated cross-functional crews for high-profile broadcasts.
  - Conducted in-depth interviews and generated real-time content logs, demonstrating strong analytical and communication skills under strict deadlines.

Skills

Professional & Education Skills: Cognitive Accessibility, Remedial Teaching, Academic Mentoring, Adaptive Learning Strategies, Technical Code Review, Leadership, Problem-solving, Cross-functional Communication.
Technical Skills: .NET, C#, React, TypeScript, Node.js, Nest.JS, Next.js, Python, SQL, PostgreSQL, Docker, MongoDB, C, C++, Java, Object-Oriented Programming, Design Patterns, Multi-threading.
Languages: Hebrew (Native), English (Fluent), Spanish (Basic).

Military Service

Band commander and Singer - Military Band (2015-2017): Organized performances, and managed production schedules under pressure.
